Sir:

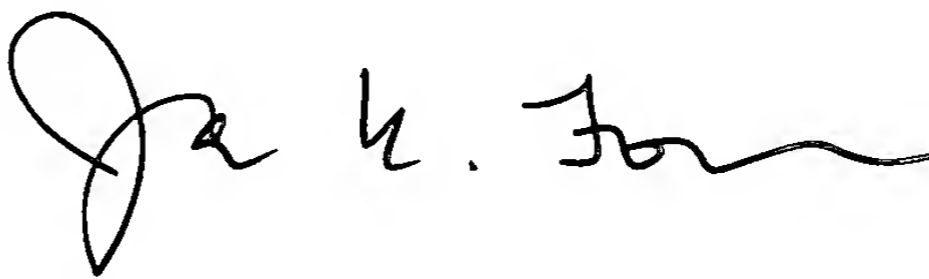

First, Applicants respectfully request acknowledgment of consideration of the references cited in the Information Disclosure Statement (IDS) filed on August 1, 2006. As the IDS and copies of the associated references were timely submitted with the appropriate fees and certifications, Applicants respectfully assert that no additional fees are required for consideration of this IDS. Accordingly, Applicants respectfully request acknowledgment (in the form of an initialed PTO-1449 Form) of consideration the references cited in the IDS.

Second, enclosed herewith is a Corrected Form PTO-1449 to be substituted for the Form PTO-1449 filed with the February 2, 2006 IDS. Specifically, this corrected Form PTO-1449 corrects a typographical error in which US Patent Application Publication No. 2003/0071952 was inadvertently listed as US Patent Application Publication No. 2005/0071952. US Patent Application Publication No. 2003/0071952 was cited by the Examiner in parent application serial no. 09/903,010 in the January 27, 2006 Office Action, and Applicants promptly filed the IDS in the above-named application listing the references cited in the parent application, but inadvertently mis-typed the publication number as 2005/0071952 instead of 2003/0071952. Accordingly, Applicants respectfully request acknowledgment (in the form of an initialed corrected PTO-1449 Form) of consideration the references cited in the corrected Form PTO-1449.

The Examiner is invited to contact the undersigned attorney if any questions regarding this paper should arise.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
